## Team Suscipe

My name is Connor Quick. I am currently a student at UW-Oshkosh and am pursuing a degree in psychology. This year will be my second year with Totus Tuus and I am positively ecstatic about what Totus Tuus has to offer this year. I am really looking forward to encountering the kids from all across our diocese and to get a chance to not only teach them, but to learn from them, what it means to be a child of God. This summer is going to be a blast!

I am Quan "Andrew" Le, born and raised in Sai Gon, Viet Nam. I am a 2021 graduate from St. Lawrence Seminary, Mount Calvary, WI. This August I will be studying Liberal Arts and Sciences at Thomas Aquinas College, Northfield, MA. My dream is to one day be a theology professor at a university. Until then, I believe the Lord is calling me to serve with Totus Tuus; I can't wait to experience the joy and the grace of being a missionary this summer!

My name is Brendan Keane. I am from Appleton Wisconsin. I graduated from UW - Whitewater with a degree in Marine Biology / Freshwater Ecology. I am in the application phase for the Kairos year for the Green Bay Diocese, and became a Totus Tuus Missionary for the same reason. I enjoy cooking and am considered to be pretty good at it. My best dishes are homemade pizza, my own recipe of chicken pot pie, and Swedish Meatballs.

I am Lily Smith, and it is a privilege for me to serve on the Totus Tuus team this year! I grew up in Stevens Point and Shawano, WI and have been blessed to meet Christ in the Eucharist and be received into the Church when I was sixteen. I am currently discerning consecrated life. I enjoy reading, hiking, and making things with my hands. I'm excited to see how our "Lovely Lady dressed in blue" will lead all our missionaries and the youth we serve closer to Her Son this summer!

My name is Michaela Erickson and I am the Totus Tuus Coordinator. This is my 6th summer with the Totus Tuus program! I recently moved from Madison, WI to Appleton where I am currently pursuing a degree in Early Childhood Education. I greatly enjoy sharing the Gospel with the youth and am so excited to do so in the Green Bay Diocese this summer!
